 - 8.1 Discussion with possible decision: Allen Chikowski/36th wants to build an addition to an existing shed. The issue is that the shed is actually located in the road right-of-way. The County Zoning dept has referred this matter to the Town of Aurora. The board's goal will be to try to do something that will prevent a requirement for the shed to be removed and simultaneously allow an addition to be built onto the shed. The town must continue to maintain and plow the road, and allow traffic (including school buses) to turn around at the end of the road. CJ has offered a possible suggestion to cut the road off and get a 60' easement.
 - 8.2 Discussion with possible decision concerning ditch and drainage issues on Riverdale Dr. Resident Tim White has reported a fellow has filled in a ditch at the entrance of Riverdale Dr, which is now causing water to overflow across the road. Also, Bob Collins on W656 Exchange St.
 - 8.3 Discussion with possible decision whether attorney Nate Olson/Olson Legal Group is needed.
